Old Business/ Updates:

Student balances-

- We have uncollected around \$400 from the phone calls. In all we are down to about \$4400 from \$5900.
- James thanked those who made phone calls, still has one list left. Diana Perez will take that and make those calls.

Band Concert-

- Diana Perez will pick up water and roses. Susie, Sharon and Judy will sell at the May 4th concert.

Awards Banquet-

- May 13th at 6:00 pm. Tom will have pictures available. We have about \$50 for decorations. Melinda will do an Evite, like last year.

Graduation-

- We have already been approved to sell water and roses at graduation. We will need plenty of water as they ran out last year. We will need volunteers to help sell.

Golf Tournament:

- It was decided to plan the Golf Tournament for next May. We will get a team together to plan it. They will work with Kenny May, and meeting times will be set by the team.

Fun Fling for Students:

- The Spring Fling for students will be May 8th from 9:00-12:00 noon at Golfland Sunsplash. (golf, go carts, bumper boats, etc)
- Boosters will do a flyer and send the invite- students will need to get their own transportation there
- Kenny May is arranging- we will not have to pre-pay anything.
- Band fees must be paid in order for students to attend- there will be a check in at the front gate with qualifying students' names on it.

New Business

- We submitted a grant request to the Charros last week. We are asking for most of what it would take to run the fall marching season. We will wait to see what happens.

Band Camp

- There will be fees that will need to be paid up front (probably around \$75)
- We do not have money to front from the boosters
- We will need a team of volunteers to help run the camp

Updates from Doc

- Awards Banquet- Letters and Crests have been ordered, but may be late due to shortage in help at the company.
- Lots of changes are coming- we are in dire times with the budget issues and it is not getting better. Cuts are everywhere; May 18 is a crucial day. Teaching contracts are being denied, programs are being cut- it will start in elementary schools but will eventually affect high school programs.
- With the new start time of 7:45- zero hour will be earlier- We will start marching band at 6:15 and will have to rehearse more efficiently because we are losing practice time.
- There will be 5 home games and no away games. There is a home game on the Friday of fall break, and possible competition the next day on Saturday.
- State is on October 30th and Super State on November 6th –both are earlier.
- Judging will be different this year- there are changes to ABODA not being under AIA- we don't know how that affects the "No Pass-No Play" yet
- We have asked for Bandarama to be September 17th
- Arcadia may not have a marching band next year- I have told them they are welcome to join our band.
- It looks good for incoming students- we might be close to 90 students
- Still working on band camp fees/ schedule
