Announcements:

Welcome. Thanks to everyone for being here. It really felt good to get a Superior at Barry Goldwater. Parents/ Boosters do a great job of supporting the band.

Secretary Report:

Minutes from last meeting were passed around. No changes requested.

Treasurer's Report:

Had a crash on computer while preparing budget report. We have done better this year in collecting money up front.

Old Business/ Updates:

- **Pit Crew:** Sharon says everything is awesome. Lots of communication and people are always willing to jump in and help. Chris says people (other bands) have noticed that we are unloading and lining instruments up in like form- looks very professional.
- **Budget-** Melinda- We are in a good place now over last year. There has been much better communication about financial expectations.
- **Truck-** Bob and Chris – Loading has gone very well- lots of help. It is often easier for us to do than the kids- they have a lot on their minds. The truck is now only 3 miles away. Bob's chart works very well for organization.
- **Snack Bar-** Mlee-Everything is going OK. We get last minute help when it has been needed. Set up and tear down is going well, but is still mostly just band people. We have to make sure the machines are getting cleaned really well. It has been working OK with the football and PTO.

- **T-Shirt/Souvenirs-** We have had plenty of help, and it has been going well. It has not been as successful as we had hoped, but can carry over into next year.
