

Para del Sol Parade
Saturday, February 11, 2012
Scottsdale, AZ

8:30 AM	Call time. Dress into uniform and get hair braided.
9:45 AM	Line up for Parade
10:30 AM	Approximate time of parade finish
10:30 AM	Return to Coronado

Parents –

Please be advised that Coronado is the meeting area for all parade participants. Parking will be very limited if any at all.

It is my suggestion that once the students are dropped off, that you park in the area of Miller/Indian School so you can bring your student back to the band room once they have finished marching in the parade.

We will not have transportation after the parade. At this point, there are no activity busses available on that day. In the past, parents have met the students at the north/east corner of Miller and Indian School. There is a bank there as well as a grocery store. This is a great place to pick up your kids and transport them back to the band room.
